5 Days/ 4 Nights – The Big Five

Tarangire, Serengeti National Park, Ngorongoro Crater and Lake Manyara

Day 1: Moshi/Arusha to [Tarangire National Park](#)

In the morning, we will pick you up from your hotel in Moshi/Arusha and drive to Tarangire National Park, which is known for its huge baobab trees and large herds of elephants. Its sparse vegetation makes it a beautiful and special location, where up to 300 elephants can be found, looking for underground streams in the dry riverbeds. Migratory wildebeest, zebra and buffalo can also be seen crowding the shrinking lagoons. Here you will enjoy an afternoon game drive with a picnic lunch. Overnight stay on outskirts of Tarangire.

Best time to visit: During the dry season from July to October.

Day 2 – Tarangire to [Serengeti National Park](#)

Today you drive to one of the most famous game parks in Africa, the Serengeti! Known to host one of the most amazing wildlife spectacles on earth – the great migration of wildebeest and zebra – the Serengeti's vast plains are also home to a haven of other wildlife, including lions, cheetahs, leopards and many other predators. Overnight stay in the Serengeti.

Best time to visit: Suitable all year-round. December to July to follow the wildebeest migration (either Ndutu or Mara River crossing). June to October to see predators.

Day 3: Serengeti to [Ngorongoro Crater](#)

This morning, you'll catch a glimpse of lions and other predators on their morning hunt during your first game drive. After brunch, you'll then leave the park and go for the final game drive while on your way to the rim of the Ngorongoro Crater, one of Africa's seven natural wonders! Before dinner is served, enjoy awesome views of the crater below. Overnight stay on the rim of Ngorongoro Crater.

Day 4: [Ngorongoro Crater](#)

Today you'll rise early in the morning to descend the 600m high walls to the floor of the crater and get up close with one of Africa's seven natural wonders! Listed as a UNESCO World Heritage Site, it is considered one of the most beautiful and unique places in Africa. Here you will find a haven of African wildlife and you might also be lucky enough to witness the endangered Rhino! Overnight stay on the outskirts of Ngorongoro Crater.

Day 5: Ngorongoro Crater to [Lake Manyara](#) to Moshi/Arusha

In the morning, drive to Lake Manyara National Park, which is located within the Great Rift Valley. Lake Manyara boasts a spectacular setting, famous for its tree-climbing lions and soda-ash lake. The park also provides the perfect introduction to Tanzania's birdlife. The shores of the lake, encrusted with pink flamingo, attract more than 400 species of birds, many of them waterfowl or migrants. In the afternoon, drive back to Moshi/Arusha or Kilimanjaro Airport.
